# with the Methodist University BRICK CAMPAIGN

## The Perfect Gift

Alumni, students, and friends of Methodist University are invited to make their mark on the MU campus through the purchase of a personalized engraved brick. Your brick will be part of a beautiful plaza that students see every time that they visit Davis Memorial Library.

Bricks are ideal graduation and birthday gifts and provide a meaningful way to honor or memorialize a friend or relative. Each brick will accommodate three lines of engraving and up to 16 characters per line, including spacing and punctuation.

You can honor or pay tribute to someone important to you through your brick's inscription. Alumni may purchase a brick to commemorate their school years, a parent may honor a graduate or future graduate, or alumni may honor a special faculty member.

A brick is a permanent means of honoring something or someone special in your life.

"Methodist University gave me many great things, and this is my way of saying thank you."

— Antonio Slaydon,  
Class of 2005

Peggy Hinson, right, and son Gary Hinson.

"This is one way I could honor my husband, a faculty member here at Methodist, for the major contribution he has made to the Computer Science Department and to the students."

— Peggy Hinson,  
Professor Emerita

## Your purchase supports students at MU

Proceeds from the purchase of bricks support the annual fund, a key revenue source for Methodist's operating budget. Annual fund gifts go to work immediately, helping all students. Because these gifts are unrestricted, they can be used where they are needed most. Annual giving dollars are raised and spent in the same year.

## Here's a chance to make a lasting impression

For just \$150 per brick, you can make a permanent impression at Methodist University, honor someone you love, and at the same time, advance the education of future students.

Ordering a brick is easy. Complete this side of the form telling engravers what to put on each brick. Fill out the reverse side with your contact information, detach this panel, and mail to Methodist University.
