

Professional Manager's Certificate Program

Managing Organizational Change

March 19, 2020

4 - 5 p.m. | Heritage Dining Room

Speaker: Zan Monroe

Learn how to initiate, implement, and sustain change; recognize and learn how to address the barriers and problems in managing change; discover how to support employees affected by change; learn basic change strategies and the managerial challenges associated with each.

This presentation is an elective seminar in the Professional Manager's Certificate program. Faculty, staff, graduate students, and full-time students are eligible to participate.

About the Speaker

Zan Monroe is a nationally recognized expert in Success, Leadership and Entrepreneurship. He has published two best-selling books and spoken thousands of times to employees and leadership of Fortune 500 companies.
